

Francine Perretta

Francine Perretta has been the Director of Probation for St. Lawrence County in Canton, NY for 20 years. She has participated in a number of federal initiatives including a Sex Offender Management Project which assisted the county in completing a comprehensive approach to management of sex offenders.

Francine has been an active member with the American Probation and Parole Association (APPA) for the past 10 years. She currently serves on the Board of Directors as the affiliate representative for the Association of Women Executives in Correction (AWEC) where she is the President –elect.

She has been a presenter at APPA training institutes and currently chairs the Gender issues committee which has been working on training issues affecting the women in Probation and Parole.
