

Webinar: Prison Re-Entry /A Tribal model managing high risk offenders and offender re-entry

Muscogee (Creek) Nation Reintegration Program believes every citizen; even an ex-prisoner is important and capable of change. Launching in 2005, the program began with minimal staff yet provided services towards a better life for ex-prisoners. Now in 2015, the program has grown significantly and will continue to grow through validated efforts from staff and the working relationships of others close to the program. MCN RIP has developed key working relationships with the DOC, Probation and Parole, Muscogee Nation Behavior Health, Tero, Employment and Training and other agencies.
