

Youth Service Center Complex

Professional Development Tour

The Chimney Rock Center (CRC) is a 24-hour intake center for youth, ages 10 to 16, who are picked up for status offenses such as runaway, truancy and curfew or Class C Misdemeanors (theft, assault, disorderly conduct or public intoxication) and those who are in need of supervision. At CRC, services include screening and assessment, crisis intervention, counseling, emergency shelter, referrals and follow-up. The Harris County Juvenile Probation Department (HCJPD), Harris County Protective Services for Children and Adults (HCPS) and the Mental Health and Mental Retardation Authority (MHMRA) are partners in the TRIAD Prevention Program.

The tour will include a stop at the Education Transition Center. The ETC provides GED preparation and testing to youth released from HCJPD institutions and youth placed under field probation supervision. The ETC also provides students community service opportunities and various life skills programs. This is a unique program for at-risk youth.

The tour will conclude at the Service Learning Program where attendees will have an opportunity to see various projects and gain valuable information on how Service Learning builds strong character in youths as they learn about the role they play in their community.
