Restorative Justice is a concept of justice that involves the victim, the offender, and the community in the healing process. Mural Arts Philadelphia incorporates the concepts of restorative justice through art instruction, mural making, and community service work within the criminal justice system. This powerful tour showcases the large-scale outdoor murals painted by the men and women who are current inmates, probationers & parolees, or juvenile delinquents. An experienced guide narrates the difficult, often harrowing and inspiring stories behind these incredible works of art. Over 30 murals are included on this tour with 9 being discussed in depth. The Mural Arts Restorative Justice Trolley Tour will pick the attendees up at the hotel at 10am and return them at noon.
