

ORLANDO

2026 CIT International Conference CIT: Where Crisis Meets Compassion

Join over 1,600 CIT practitioners, coordinators, and mental health professionals from around the world at the 2026 CIT International Conference at the Rosen Shingle Creek in Orlando, Florida, August 10-12, 2026.

CITICON26 brings together law enforcement officers, behavioral health clinicians, advocates, and community leaders united by a common mission: improving crisis response systems and building stronger partnerships between public safety and behavioral health services.

What to Expect

- 100+ Workshop Presentations covering the latest CIT strategies, research, and best practices
- Inspiring Keynote Speakers from national, state, and local levels
- New Dedicated Networking Opportunities to connect with fellow practitioners and share experiences
- General Sessions featuring conference-wide programming, awards, and raffles
- Exhibit Area showcasing innovative solutions and resources for crisis intervention

Who Should Attend

- CIT Practitioners and Coordinators
- Behavioral Health Professionals
- Law Enforcement Leaders
- Community Advocates
- Crisis Response Teams
- Anyone committed to improving how communities respond to mental health crises

Whether you're new to CIT or a seasoned coordinator, CITICON26 offers valuable insights, practical tools, and meaningful connections to help you strengthen crisis intervention in your community.
