CALL FOR PRESENTERS

APPA's 2024 Winter Training Institute

Seattle, Washington | February 25 - 28, 2024

The American Probation and Parole Association (APPA) is pleased to issue a **Call for Presenters** for our 2024 Winter Training Institute set for February 25 - 28, 2024, in Seattle, Washington.

APPA training institutes provide attendees with learning opportunities that emphasize skill-building and enhance career development. Preference will be given to workshops that include learning objectives with verbs derived from **Bloom's Taxonomy**, **S.M.A.R.T. objectives** (Specific, Measurable, Achievable, Relevant, and Timely), incorporated activities, audience participation, a skills-focused approach, and new research on the field of community corrections. Please consider best practices for communication and engagement practices for audience members who are attending virtual workshops. Our participants include community corrections professionals in the fields of pretrial, probation, parole, reentry, program and treatment providers, judiciary, criminal justice researchers, educators, and more.

Please bear in mind presenters are responsible for bringing their own laptops and presentation materials, i.e., handouts, USBs, etc. APPA will not provide printing services.

Regrettably, APPA does not reimburse presenters for expenses and fees associated with participation. Examples of this include travel and lodging expenses, as well as incidentals such as food, parking, etc.

APPA is excited to provide this platform for quality practitioners who are focused on improving core competencies, understanding what works in the field, embracing education and training, and continually developing skills. All are essential to the success of this crucial work, and it all rests firmly on the belief that this profession has a significant impact on public safety. We look forward to creating safer communities together with you.
