

**Join APPA  
at our Winter 2023 Regional Training Institutes**

The American Probation and Parole Association (APPA) announces five exciting in-person training and networking events for Winter 2023. The regional training institutes are being offered in place of the one winter institute to allow more people to experience an in-person institute with reduced travel expenses.

Connect with regional friends and colleagues as APPA presents a fresh program of presenters, engaging sessions, and an exclusive exhibit area – all for you to stay connected with the latest in supervision practices, services, and technology.
