

Mandy Kimner & ASHER

Victim Specialist & Comfort K-9 Team

Mandy Kimner, a U.S. Marine Corps veteran, serves as a Victim Specialist and Comfort K-9 Handler with the Georgia Office of Victim Services. In 2024, she was paired with her Labradoodle, Asher, and together they travel across Georgia to support victims of violent crime, state employees, and communities. Their partnership offers trust, compassion, and teamwork, providing comfort and connection to those they serve. With Mandy's dedication and Asher's gentle presence, they remind others that healing can begin with both a caring heart and a wagging tail.
